CARHA HOCKEY MEMBERSHIP PROGRAM – Hockey Insurance

CARHA Hockey is partnered with Lawrie Insurance Group who offers one of the most affordable hockey programs available. The CGL is underwritten by GameDay Insurance Inc. and Trinity Underwriting Managers Ltd. The On-Ice Sport Accident benefits are underwritten by AIG Insurance Company of Canada. All policies are subject to the terms and conditions of the insurance policy in force during membership period.

As there is a risk playing hockey, there are chances of you or someone else being injured while playing. As such, all members of CARHA Hockey are provided with peace of mind coverage that protects League Organizers, Team Representatives and participating players while involved in CARHA Hockey approved events and activities.

Commercial General Liability (CGL) includes \$5 million liability coverage (per occurrence), and Excess Liability \$5 million (per occurrence) Coverage extended to the following:

- League Executives
- Each player
- Facility/Arena
- Sponsors
- Timekeepers / Bench Personnel
- Volunteers associate with running the league/team
- Certificate of Insurance provided naming Municipality, City/Town, or Sponsor as additional insured

In terms of the League Executive, CGL provides coverage in the case of a liability suit arising from on-ice incidents. From the players' standpoint, the CGL protects them in the event legal action is taken against them as a result of the game of hockey. Please note that should the incident be deemed criminal, this would fall outside the scope of a CGL/Excess Liability policy.

Communicable Disease Exception - \$250,000 each claim: Protects the League Executives as well as players should legal action being taken in relation to the contraction of COVID-19 within your league. This coverage is from a liability standpoint and not sport accident policy related (medical treatment).

Errors and Omissions - \$2,000,000 (per occurrence): Protects the League Executives and Directors from players or sponsors who claim or hold them responsible for failure of delivery of services as promised.

Tenants Legal Liability - \$5,000,000 (per occurrence): Covers legal liability for damage to property leased to or rented by the insured where the damage is caused by the insured's operations and the insured is held legally liable.

Sports Participant Liability – This coverage protects CARHA Hockey and its members from claims arising from “Bodily Injury” and “Property Damage” in the event an injured athletic participant files a lawsuit. It also protects the participant if one player is sued by another player due to an injury.

CARHA Hockey registered players acknowledge the risk of being injured while playing the game of hockey. All benefits available under CARHA Hockey's insurance are provided by Game Day Insurance Inc., Trinity Underwriting Managers Ltd. and AIG Insurance Company of Canada and are subject to the actual terms and conditions of the insurance policy in force during the period of membership.

How to Submit an On-Ice Sport Accident Claim: If players are injured while on the ice playing hockey, they can submit claims using the Sport Accident Claim form or by contacting the CARHA Hockey office. The extended coverage will be contingent upon the policy particulars. <https://carhahockey.ca/file-a-claim/>

- Claim forms must be signed off by a League Organizer or Team Representative;
- Claim forms can be submitted by fax, mail or email along with receipts;
- Claim forms must be submitted within **90 days of injury**. Claimants may submit receipts for up to one (1) year from date of injury;
- Players must be seen by a doctor or dentist within **30 days from their date of injury**;
- On-ice accidental dental injury coverage shall only apply to whole, sound, natural teeth providing the minimum facial protection equipment is worn. The policy also allows for crowns, veneers and supporting structures. Capped teeth are included as part of the coverage as long as they cannot be removed;
- On-ice accidental medical coverage must be prescribed by a licensed physician;
- Players are eligible to receive 100% of the sport accident coverage and there are no deductibles. The insurance acts as primary coverage for players that have no insurance of any kind. The insurance acts as secondary coverage for players that have insurance through their work or otherwise;

Conditions for the Insurance: Coverage is effective upon the commitment from the League Organizer whether received verbally or otherwise. Claim forms may not be honored for leagues and team's delinquent in administration with CARHA Hockey. Play must be within the adult recreational/oldtimer ranks, be non-contact and all players must wear CSA approved helmets.

Adult Waiver Required: It is required that ALL MEMBERS of CARHA Hockey sign the Adult Waiver Form and can be provided in hardcopy format for distribution to your league members or emailed through our online waiver system. As the league organizer it is your responsibility to provide this waiver to all team representatives to further distribute to players and ensure all waivers are completed.

Coverage Period Policy Date Change

For the upcoming 24/25 season, CARHA Hockey will be changing its insurance policy date, (both liability and on-ice accidental) and the certificate of insurance will show coverage from October 1st, 2024, to June 1, 2025. Coverage is valid anytime your players are playing with a CARHA Hockey adult rec hockey team anywhere in Canada (as long as they are registered on the team roster). Teams can play non-CARHA Hockey member teams and still have their coverage in place. This includes games, practices and tournaments. This change is intended to align our coverage with our fiscal year so that we can budget accordingly if there are premium increases. Also, this will assist most of our leagues who need proof of coverage when booking their ice in the summer for the upcoming season. Please rest assured that those leagues that operate throughout the summer will have their coverage extended at no additional cost. You will receive an updated certificate of insurance in June 2025.

League Registration: The coverage is league-based, so all players must be registered. Players can be added to the coverage at any time during your season. Contact a CARHA Hockey staff member to learn more about the various registration options to register the league and players.

Spare Players: For the 2024-25 season, the insurance underwriter requires that all players be registered and paid as full-time or temporary (substitute) members of CARHA Hockey. Here are the policy's details: 1) When a full-time member player is unable to attend a game, a temporary (substitute) member player can be substituted for the full-time member player. 2) A temporary (substitute) member player can ONLY play a total of five (5) substitution games within a given season for your team. 3) If a temporary (substitute) member plays more than five games, please contact CARHA Hockey, and we will add the player to your official roster for \$25 as full-time member. 4) It is important to note that exceeding these substitution limits will compromise the insurance coverage for the player and team. 5) Each team is now responsible for managing their substitute lists using the attached spreadsheet. Please ensure you keep this spreadsheet up to date. You no longer are required to notify CARHA Hockey of substitute (spare) player changes, except for #3 above. 6) When completing the 2024-25 registration form, you are only required to list and pay for full-time members players.

CARHA Hockey Players Participating with more than One CARHA Hockey Registered League or Team

(Rekurs): CARHA Hockey members are only required to submit their membership fee once during the 2024/2025 hockey season, as per the coverage dates above, and are eligible to play on as many other CARHA Hockey registered leagues and teams as they wish. This extends to Referees as well. Referees, who are also players, will only have to submit their membership fee once and will have extended coverage in both capacities.

Underage and Overage Players: Players under the age of 16 are NOT permitted to play in a CARHA Hockey sanctioned league. Players between the age of 16 – 17 and over the age of 85 years are welcome to participate. However, they must complete the Underage Waiver form (16-17 years of age) and the Overage Waiver form (85+) respectively. You must submit a copy of the form(s) to CARHA Hockey for your in-house file. Please note, underage players are not eligible for the on-ice accidental or liability coverage. Overage players are not eligible for the on-ice accidental component of the hockey insurance, but they are covered for \$10 million liability insurance. As such, because of this liability extension an overage player would still submit their membership fee.

Non-Resident of Canada Players: CARHA Hockey welcomes the participation of non-residents of Canada players; however, they must complete the Non-Resident of Canada Waiver form. These players are not included in the on-ice accidental or liability coverage and are not required to submit the membership fee.

Outside of Canada Coverage: Members are not covered for Sport Accident coverage when participating in games/tournaments outside of Canada. We strongly advise teams to obtain travel insurance in the event of illness or accidental injury. With regards to CGL coverage, there is worldwide coverage provided the event is sanctioned by CARHA Hockey.

Special Event Insurance - Application Process: Should your league be hosting and serving alcohol at an off-ice event such as a league banquet, AGM, tournament etc. in non-licensed establishment, it is recommended that a Special Event Application be completed for approval. Events must be directly related to the activity of adult recreational hockey. Golf tournaments and other sports do not qualify. The cost for Special Event Insurance is \$125.

Hosting Tournaments: Should the league be hosting a tournament with teams participating from outside the league, we recommend you consider our [Host Tournament](#) liability program to ensure the tournament organizers are covered.

Directors & Officers Liability – D&O coverage is excluded from the current membership policy. However, this coverage is available for a minimal additional cost to non-profit hockey groups only. The D&O Policy covers lawsuits that arise out of actual or alleged wrongful acts in the running of a league. This coverage is for the local league/organization itself, directors, officers and other volunteers. Should your group be approved for D&O coverage, you are required to sign the CARHA Hockey – D&O Approval form.

Important Notice: CARHA Hockey and its insurers do not support the use of alcohol/cannabis and/or drugs while participating in the game of hockey. Should such activity present itself, the insurance coverage provided by our organization can be jeopardized.

Inclusivity & Hockey: CARHA Hockey is committed to promoting diversity, equity and inclusion both on and off the ice. The expectation from the association is that all members support and encourage an environment where everyone belongs.

Pregnancy: CARHA Hockey welcomes the participation of pregnant women who wish to play adult recreational hockey. For safety purposes, however, we recommend consulting your physician before playing hockey. Please note that coverage does not extend to injuries sustained that affect the term of the pregnancy or the unborn fetus.
